WE, the Mirror Staff of '41, in order to give you a more interesting annual, do provide you with these pictures and write-ups to recall, in future years, many pleasant memories.

“DEMOCRACY”

MORE and more students are made to feel the necessity for preserving DEMOCRACY. They are assuming responsibility in democratic ideas in the classrooms, clubs, and even the towns in which they live. They are being educated to become good citizens, and in this way will, in the future, uphold the democratic ideals of our country.

We read every day in the newspapers that DEMOCRACY is being crushed by the totalitarian powers. Now, more than ever, we need in some way to strengthen our hold on our present form of government. If the future citizens of the United States learn and practice democratic ways in school, there will be no need to fear the downfall of DEMOCRACY.

On the following pages, the seniors of Louisville High School express their views of DEMOCRACY and what it means to them.

DEDICATION

Two of our faculty members who have helped to create the spirit of democracy in us during our four years of high school are our senior sponsors, Miss Dorothy Waltenbaugh and Mr. Chester Riley. By their humor, genial spirit, and wisdom they have presented to us a new view-point and a broader knowledge of the true values of education and democracy.

As a mark of our esteem we, the 1941 Mirror Staff, respectfully dedicate this book to Miss Waltenbaugh and Mr. Riley.

In selection of the theme "Democracy," the Mirror Staff is to be highly commended. No more timely or appropriate subject could be secured. Few people today take the time to find out what democracy really is, and most take it for granted as being a form of government assured for the future.

A study of it would be a great help, for it is the indefiniteness of our impressions that fill our minds with uncertainties and doubts. In order to insure a proper study and understanding, our institutions of learning must so organize themselves that true democracy is practiced and a successful working system built up within their walls among students, faculty, and community.

Thus the members of such schools shall learn democratic living by living in an ideal environment surrounded by all the problems and complexities of everyday life in a miniature form.

It is only through the ability of such institutions to accomplish their aim that we can hope to maintain the American way of living.

R. A. Strausser

We are now cruising on the good ship "Democracy" as she sails along on the sea of life. Our school is located toward the forward part of the ship so that our students may learn to navigate this great ship of ours. Our hope is that our school will strive with greater determination to guide our ship away from that of Nazism, Fascism, Communism, and other obstacles which are placing themselves before us. Other ships are following our course; so let us all strive to be leader at all times. Not only "America, the Beautiful," but "America, the Democracy."

FACULTY

CUSTODIANS

CHARLES GASMIRE JOHN KERCHNER

Perhaps two of the most familiar faces to be seen in our corridors are those of our two custodians, Mr. Kerchner and Mr. Gasmire. It is their duty to see that an even temperature is maintained throughout the building at all times. Each evening after the "notables" have gone, they and their N. Y. A. staff sweep the building so that it will be clean for the following day's session.

"SELECTIVE SERVICE BOARD"

BOARD OF EDUCATION

Although not so well known, by the student body, the five people who comprise our board are intelligent, well-educated men and women who are leaders in our community. They are doing now, as they have done in the past, all that they can to make Louisville High School one of the most progressive high schools in the country. It is to them that we are indebted for our splendid faculty and, to a certain extent, for the spirit of Democracy which prevails in our school.

MIRROR STAFF

Here we find a small group busily and happily at work. These "Framers of Democracy" are all intent on making this book the most interesting and accurate account ever published. Many are writing bills; some are typing; others are engaged in assembling the Congressional Record; and still others are at work on the Bill of Rights or National Defense.

SOCIAL

LIFE

SOCIAL LIFE

More and more, as the days go by, we are coming to really appreciate the conveniences and advantages of our democratic way of life. In no other country could we enjoy such freedom of speech and thought in our relations with others as we do here almost without thinking of them. Rather than the stiff, uncomfortable feeling which exists where people are living in dread of punishment, a friendly, informal atmosphere prevails throughout our social existence. This is especially true, we believe, of all our organizations. May we hope that this will always be so, both in school and in later life.

JUNIOR PROM COMMITTEE 1941

JUNIOR SENIOR PROM - 1940

The seniors gained their inspiration from the theme "Hitch Your Wagon to a Star," at the annual Junior-Senior Prom held at Shady Hollow Country Club on May 11, 1940.

Our able toastmaster, Jim Kerchner, introduced the speakers of the evening, the class presidents and advisors and the entertainers.

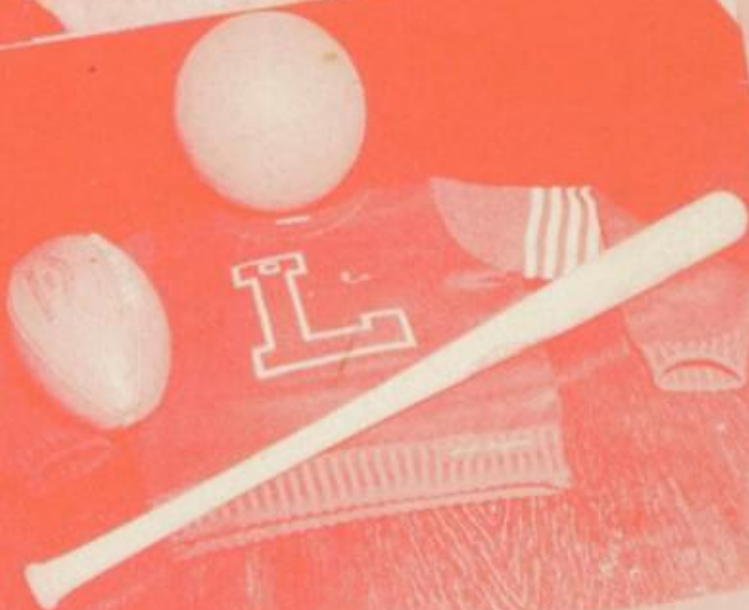

After an entertaining program held during the dinner hour, the three hundred guests and their hosts enjoyed an evening of dancing to the lilting strains of Charlie Cline and his orchestra. A special attraction of the prom was the choosing of seven girls and seven boys as "Stars" by the vocalist of the orchestra.

NATIONAL

DEFENSE

"NATIONAL DEFENSE"

In our field of combat we have many young ambitious boys who defend the name of Louisville High School in the world of sports. These boys give up much time and energy to take part in the various athletic events, just as the men in the army give up time and energy to defend our nation and our freedom.

We find at the head of this army of defenders General Wayne Ashbaugh with Captain Clayton Zesiger as his assistant. We also see Miss McPherson leading the fair sex in physical education and intramural activities.

Many battles were waged on the gridiron with Louisville's Blue Raiders emerging victorious in the majority of their battles. This was the main feature of the sports for 1940-41.

Donning their new uniforms, the basketball squad opened a hopeful season. But the team hit some bad luck by the loss of players and by injuries and sickness. Hence the team didn't succeed so well but have great expectations for next year.

The baseball team had a good season, winning the majority of their games. The high spot of the season was John Rebillot's no hit, no run game.

The track team had one of its best seasons in many years. While many school records were broken during the season, the main feature of the season was the defeat of McKinley, the first time in the history of the school.

SEASON'S RECORD

As the 1940 season opened, the Blue Raiders of Coach Ashbaugh outfought a capable St. Johns foe to the tune of a 13-0 victory on the local gridiron.

The following week under the lights, the Blue and White dropped a 6-0 decision to a strong Dennison team.

Sebring was next on the schedule. The Blue and White after a hard fought battle came out on the short end of a 13-7 score. An intercepted pass was the fatal blow.

The next Saturday the Raiders traveled to N. Canton to battle a strong Viking eleven. After playing three and one half quarters without a score, the Raiders scored from the 10 yard line on an end run by Dick Snyder. The extra point was good for a 7-0 victory.

Playing their second Tri-County game, the Raiders came out on top of a veteran Boardman team with a startling 13-6 triumph.

The following Saturday the Blue and White were entertained by the Columbiana Clippers. Having little difficulty, the Raiders notched their second league victory, 14-0.

Traveling for a non-league game with the Canton Twp. Wildcats, the Blue Raiders lost a 7-0 decision to an inspired Wildcat eleven.

The following week the Raiders captured their third Tri-County game with a 20-0 victory over a weak Lisbon team.

Minerva was next. The Blue Raiders traveled to Minerva for their annual Armistice day game which ended in a scoreless deadlock. We held the edge in statistics, but it didn't win the game.

In the final game of the season the Raiders turned on the power to take on the E. Palestine team by an overwhelming 28-0 victory. This game was played in several inches of snow.

The final record showed 6 wins, 3 losses, and one tie.

“FROM THE FRONT”

WILLIAM HOOVER—'42 End

By hard work he made the regular position at right end for the latter part of the season. “Bill” should make a good pass receiver for next year’s team.

EDWARD FRITZ—'41 All Tri-County

He was a fast guard who was always in the opposing team’s backfield. “Ed’s” great performance gave him All Tri-County guard.

RICHARD FERGUSON—'41 End

“Spark” was tall and fast and was hard to fool on end runs.

ROBERT BRESSON—'42 Backfield

“Bago” didn’t carry the ball much but helped in making many touchdowns by his fine blocking on interference. He backed up the line on defense and was probably the hardest tackler on the team.

DONALD MENEGAY—'41 Backfield

“Don” did a fine job in his first year as a letterman. He made some fine long runs to win ball games.

JAMES CALLAN—'43 Backfield

The teams in the next two years will be hoping for “Jim” to repeat his performance as a backfield man on the team last year. He is a passer, kicker, and a good open field runner.

IAN BALL—'41 All Tri-County

When Ian tackled a player, he knew he was hit. Ian opened up many a hole for the ball carrier to charge through.

ROBERT ROSIA—'42 Guard

“Bob” was little but mighty. He hit ‘em, big or little. He should be a great lineman for the next year’s team.

JOSEPH QUILTER—'41 All Tri-County

His great defensive work earned “Joe” the position of All Tri-County left end. Joe had a lot of school spirit and never gave up.

EDWARD BOLLIA—'42 Tackle

“Ed” was one of the fastest charging and hardest hitting linemen on the team.

RICHARD SNYDER—'41 All Tri-County Most Valuable Player, Captain

“Dick” made many a touchdown and won many games for L.H.S. in his four years of outstanding playing. He was a very fast and shifty backfield man. He was All Tri-County quarterback for 1940.

DONALD SKELLEY—'42 Backfield

“Don” was a consistent ground gainer. He is a triple threat man and is considered very dangerous by the opposing teams.

RALPH MARKO—'41 Backfield

Ralph did some excellent blocking to lead the interference for the ball carriers. He was a hard hitting line buckler who could always be depended upon to gain a couple of yards.

KENNETH GULLING—'42 Backfield

“Kenny” was very fast and hard to catch once he got past the line of scrimmage. He was hard to tackle and slipped away for many good gains.

HERMAN MILLER—'42 Guard

Tri-County Honorable Mention
As well as being an outstanding guard, “Ham” did a good job at helping at center.

ROBERT KINTNER—'42 Backfield

“Bob” was little but hard to tackle. He had a fighting spirit which should help him to be a consistent ground gainer next year.

PAUL KERCHNER—'41 Tackle

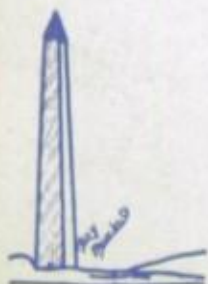

“Jim” was the player with the educated toe. He kicked many a ball between the uprights after the boys had made a touchdown.

BRUCE BIXLER—'42 Center

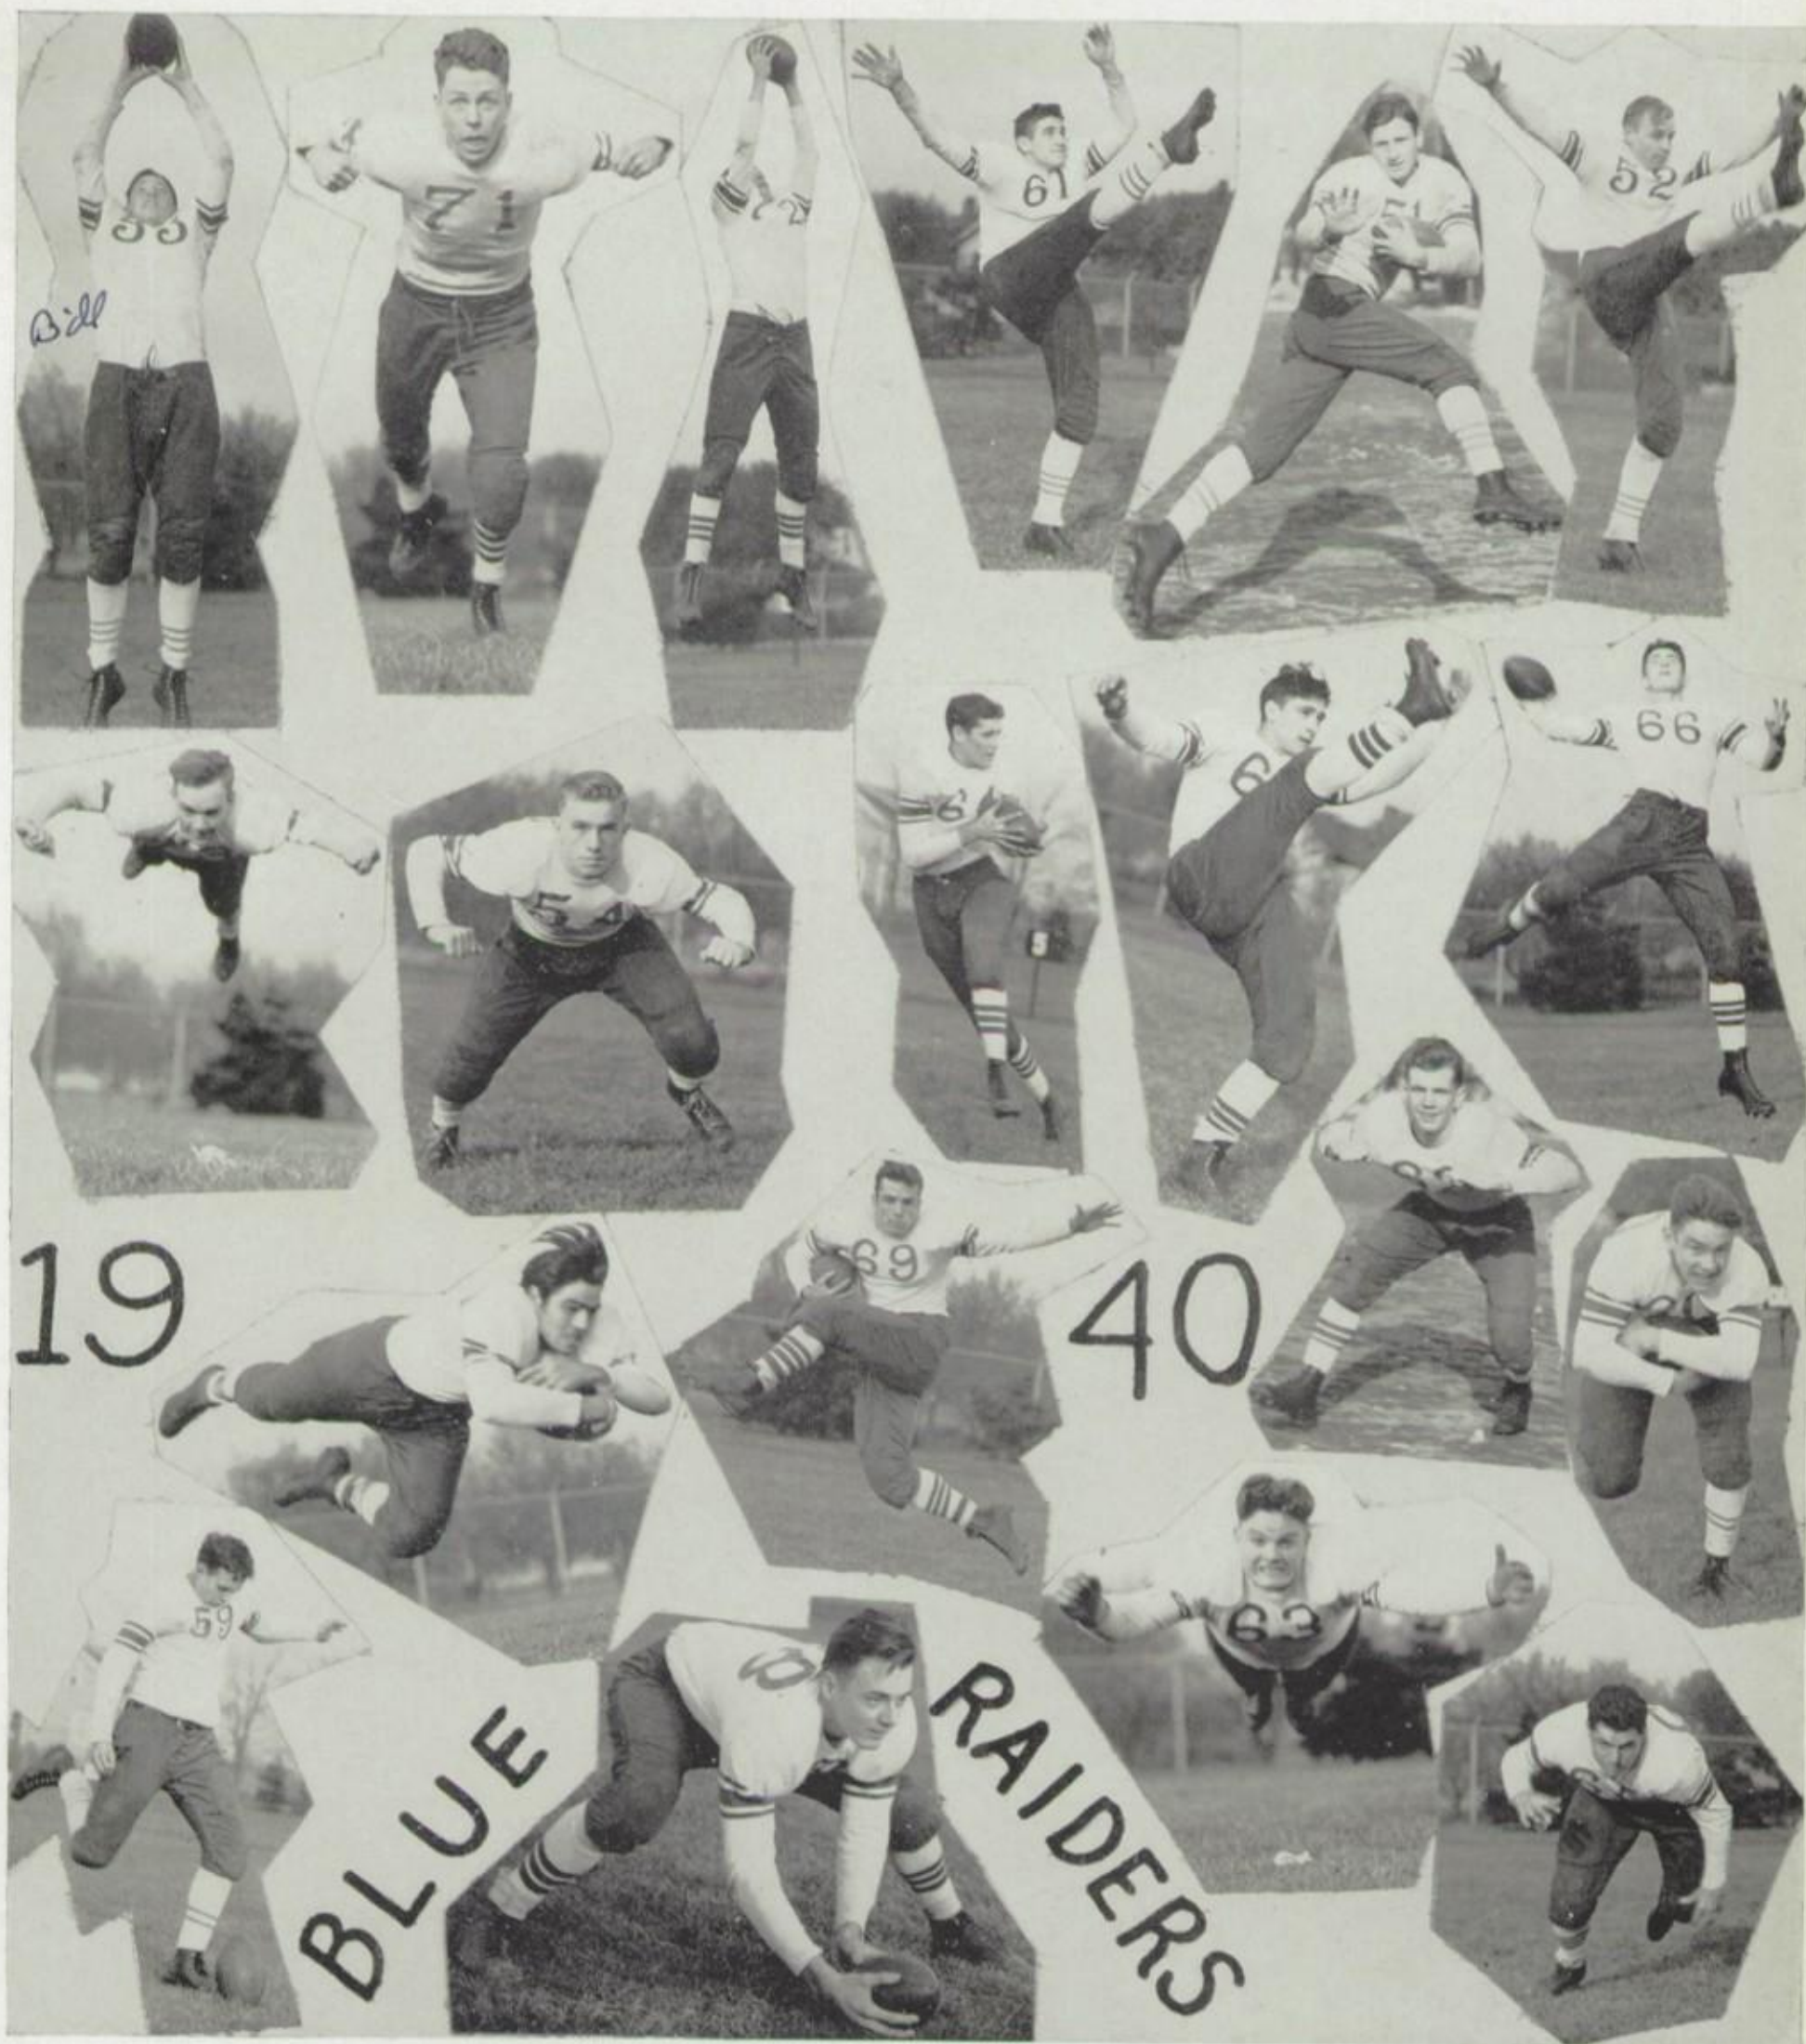

Tri-County Honorable Mention
Bruce’s deadly accuracy and fine spirit helped win many ball games, and he should be an outstanding lineman next year.

DELBERT ROYER—'43 Tackle

“Fat” was a hard man to block and was always fighting with everything he had. It was hard for ball carriers to get past him.

“WAR ACES”

With the annual call for basketball enthusiasts, Coach Wayne Ashbaugh and his assistant, Clayton Zesiger, were greeted by some 50 boys. After numerous practice sessions the team was cut to 20 boys on both the varsity and reserve squads.

The Blue and White had a rather poor season. With only two lettermen and with numerous injuries and sickness, Coach Ashbaugh was forced to rely on reserve boys who lacked the necessary experience. However, this will leave six lettermen returning next season.

Prying the lid off the cage campaign, the Blue Raiders defeated Marlboro 28-21.

The following three encounters saw the Blue and Whites lose to Minerva, Malvern, and Brewster.

Snapping their three game losing streak, the Blue Raiders won the next four contests over Jackson Twp. 41-35, Alumni 32-28, Boardman, the first league game, 35-31, and Dover St. Joseph 25-17.

Next came Sebring who defeated the Raiders 25-17 for the first league defeat.

The Blue Raiders suffered defeats to Timken 47-30, St. John 54-29, Brewster 40-36, Lehman 50-36, Minerva, a Tri-County game, 43-31, and 30-26 to the N. Canton Vikings.

In the next game the Raiders hit their stride to take a 51-43 victory over a capable E. Palestine foe, for their second league triumph.

The following Tuesday, the last home game, the Blue Raiders lost a high scoring tilt to a strong Canton Twp. quintet, 51-47.

Journeying to Columbiana, the Raiders lost a close contest to the powerful Columbiana Clippers 34-30.

Ending the season schedule, the Raiders traveled to Lisbon to crush the Lisbon team with a startling 40-23 triumph.

WILLIAM HOOVER—'42

“Bill” was very good as a pivot man, even though he was not tall. He was a good faker and took his share of the balls off the backboard.

DONALD SKELLEY—'42

“Don” was one of the steadiest players on the team. “Don” didn’t care how many points he scored, just so the team won the game.

ROBERT BRESSON—'42

“Bago” earned his first letter as a basketball player this year because he made a good showing by coping with the other players and fighting around the backboard.

BRUCE BIXLER—'42

Tri-County Honorable Mention

Bruce was the tallest player on the quintet. His height made him the bulwark on defense around the backboard.

HERMAN MILLER—'42

“Ham” didn’t see action until the last half of the season, but scored his share of the points because of his good aim for the bucket.

JAMES VIOLAND—'42

“Jim” was very fast and could shoot and pass with equal skill. He played a steady game all through the season.

JOSEPH QUILTER—'41

RESERVES

The Reserve squad had a successful season with a record of 10 wins and 9 losses.

Led by Tommy Moulin, the Reserves enjoyed a successful season. The boys got a great deal of experience this year and much is expected of them in the coming years. The most promising and fortunate thing is the outstanding players of the freshmen class; namely, Mosnot, Ritchie, Berg. Much can be expected of these boys in the coming years. A number of these boys will see extensive service on the varsity squad next season.

BASEBALL

Since baseball has been gaining more interest every year, the Raiders have high hopes for a successful season. With nine lettermen and several boys who gained considerable experience last season, Clayton Zesiger has a possible fifteen game schedule under way.

The Raiders should have a strong infield with the same boys back; namely, Kerchner, Rebillot, Fritz, Skelley, and also Hoover who played in numerous games last season.

The outfield should be strong with Miller and Mustacchio back, and Scott who will be making a determined bid for a position.

The catching and pitching will be taken care of with Art Metzger and Miller receiving, and Herb Kropf, Harter, and Lamielle doing the twirling.

Last season was good, possessing 7 wins and 4 losses.

This year's schedule will be about the same with the addition of two games with Canton McKinley. Since this is early in the season and we have no record of the games, the only thing we can do is wish the team the best of luck.

TRACK

Although they didn't win all their track meets, the 1940 track team had a very good season. One of the highlights of the season was the defeat of McKinley. The best record of the season was the 100-18 defeat of Sebring. The following six school records were broken during the season: mile run, by C. Stoddard, in 4 minutes, 52.5 sec.; mile relay, by C. Stoddard, R. Roberts, Ed Lazear, H. Domer, in 3 minutes, 41.8 sec.; shot put by L. Masterson, at 44' 6½"; discus, by F. Masterson, at 132'; pole vault, by G. GIRLS' PHYSICAL EDUCATION

Under the leadership of Miss McPherson the girls experienced an eight team volley ball tournament which included two senior, two junior, two sophomore, and two freshman teams.

The captains of the various teams were Jane Beutler and Maxine Geiseman, Helen Bircher and Hilda Simpson, Audrey Gulling and Claire Cole, and Kathryn Theiss and Mary Catherine Kroft.

After playing three rounds of play the senior team led by Mary Kroft won the tournament by defeating Hilda Simpson's team 21-18.

During the month of March the girls, under the leadership of Miss McPherson, held a basketball tournament. The tournament, which included about seventy-five girls, consisted of two teams from each class. The captains were as follows: Anna Jule Donaman and Ethel Snyder, seniors; Mildred King and Lois Wilson, juniors; Helen Bircher and Bernice Schwab, sophomores; Virginia Dimmerling and Doris Grim, freshmen.

There were two brackets, the winners and the consolation. Ethel Snyder's team consisting of Marian Dwyer, Mary Kroft, Elsie Pochubay, Joan Schrader, Ethel Snyder, forwards, and Margaret Peters, Florence Parks, Lois Kinemond, Florence Gisez, guards, won the winners' bracket by scores of 9-6, 8-7, 16-2. Helen Bircher's sophomore team won the consolation by scores of 10-5 and 17-7.

The unusual amount of interest which was carried throughout the tournament will undoubtedly have much influence in the carrying on of tournaments of this type in the years following.

The girls' physical education teacher, Miss McPherson, deserves much credit for the planning and supervision of this tournament. We hope for more tournaments in the future.

“BILL OF RIGHTS”

To each and every person is assured his rights. For everyone, whether he be Christian or non-Christian, retires to this chamber when his bill is submitted for approval; and, when he is admitted to these law-making bodies, his standards are the same as the lawyer who has crossed the bar.

And when they pass through the swinging doors and emerge into a massive assembly room, they find many opposers to their respective plans.

Huge walls, adorned with pictures of great leaders and generals, trophies of victorious athletic teams, plaques and medals achieved at the filibusters—all these aid in magnifying the “Stars and Stripes” which stands, tall and straight on the program, greeting the members of the house as they meet on each Wednesday evening for life, liberty, and the pursuit of happiness.

"GALLUP POLL of PUBLIC OPINION"

WHO'S WHO

Just as the public from time to time expresses its viewpoint on various questions and people, the students of Louisville High School, through a private "Gallup" poll set up by the Mirror Staff, voted on the following fellow students as being representative in these classifications.

However this poll differed from most polls and elections in the fact that the results have been held in secret from even the staff members until this time. Consequently, it is with pleasure that we present the people whose pictures appear on this page.

Policeman (to tramp sitting in the top of an oak tree): "Hey, what are you doing up there?"

Tramp: "I don't know. I must have sat on an acorn."

"What was that row about in the side show tent this morning?" the manager of the circus asked an attendant.

"Oh," answered the attendant, "that was just the two-headed man quarreling with himself about which face should be shaved first."

Teacher: "Where was Sheridan when he took his famous twenty mile ride?"

Student: "On a horse."

"This is the fifth time you have been brought before me for speeding," said the judge severely.

"Yes, your honor," smiled Ken Mulheim. "When I like a feller, I generally gives him all my business."

Seaman: "Does his girl have her own way?"

Fireman: "Does she? Why, she writes her diary a week ahead."

Mrs. Smith: "You know my husband plays the organ."

Waitress: "I'm not supposed to tell you, sir, but we get some of our food from the school of cookery and home economics next door; and, if you get sick after that omelet you've just eaten, those girls have all failed their examinations."

An elderly couple were charged with creating a breach of the peace in their country home.

"How did you come to cause this disturbance at your own fireside?" asked the judge.

"Well, it was like this," replied the old woman. "John and I were sitting at the fire. John was reading his newspaper, and I was thinking. Then I turned to him and said, 'John, sheep are awful stupid, aren't they?' and John said, 'Yes, my lamb'."

First Flyer: "I took off, did a series of loops, went into a spin, and sank my nose in the ground."

Principal: "What are the three great menaces to safe driving?"

Student: "Hic, hike, hug."

Landlord: "Washington once slept in that bed you occupied last night."

Guest: "That's more than I could do."

Teacher: "Johnny, give me a sentence."

Johnny: "I is----."

Teacher: "You mean 'I am'."

Johnny: "I am the ninth letter in the alphabet."

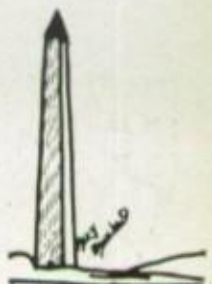

Two laborers were working on a very tall building. Suddenly the one at the top leaned over and shouted down to his mate: "Hey, Jake! Come up here a minute and listen!" Minutes passed as Jake toiled slowly up a series of ladders. Panting, he reached the top.

"I can't hear anything," he said after listening intently.

"No," the other agreed, "Ain't it quiet?"

Dad criticized the sermon. Mother said the organist was off key. To sister's nice ear the choir singing was sour. But their faces were really red when little Bill remarked: "I think it was a darn good show for a nickel."

A forlorn looking recruit, on his first leave from camp, walked into a restaurant and ordered a meal. "Bring me," he said to the waitress, "some cold porridge, and burn me some toast to a cinder. Fry me two bad eggs and make some coffee that tastes like mud. Put it in a cracked cup so that when I drink it will run down my chin."

The waitress filled the order. "Is that all, sir?" she asked.

"No," he replied, "sit down beside me and nag me. I feel homesick!"

The new reporter had been sent to interview a famous pugilist. About an hour later he staggered into the editor's office.

"Well," barked the editor, "did you get anything?"

"We can't print those," bellowed the chief. "What did he say to you?"

"You can't print that either."

A motorist crashed into a telephone pole. Wire, pole and everything came down around his ears. He was found unconscious in the wreckage, but as he was being untangled he came to, reached out feebly, fingered a wire and murmured: "Thank heaven, they've given me a harp!"

A tramp, coming down a country road in England, stopped a moment in meditation before a sign on which was written: "George and the Dragon." He then entered the tavern to which the sign was affixed and asked for the landlady.

"Noble lady," he began, "have you a meal and some old clothes to spare for a poor, hungry man?"

"Not for the likes of you. Now go!" she said, sternly. Then, seeing he desired to get another word with her, "Well?"

"Then please, ma'am, could I speak to George?"

"What make is your grandson's new car?"

"I don't know. I think he said it was a wow."

Moffett: "The moral law is easy to remember."

Patton: "So what?"

Moffett: "If you're good you go to a place of everlasting bliss. If not, you go to a place of everlasting blisters?"

AWKWARD

"Did I return your lawn-mower last week?"
 "You certainly didn't."
 "Shucks! I wanted to borrow it again."

VERY LITTLE

"That fellow Binks is certainly wrapped up in himself."
 "Yes, and he certainly makes a very small package."

NO, TRUTHFUL

"How often do you shave?"
 "Oh, about thirty times a day."
 "Are you nuts?"
 "No, I'm a barber."

BEYOND NOAH

"My family can trace its ancestors back to the days of William the Conqueror."
 "We think our family is old, too, but unluckily all our family records were lost in the Flood."

Eleanor S: "A penny for your thoughts."

Bruce B: "I was thinking of going."

Mr. Shoemaker (at head of stairs)
 "Give him 50c; it's worth it."

"Teaching that calf to drink took me two hours, roughly speaking."

"That's what you may call it, but I'd call it plain cussing."

Bill: "Hey, boss, Dr. Smith is outside with a blow-out."

Boss: "Fine! Diagnose it as flatulency of the perimeter, let him fix it himself, and send him a bill for \$5 for professional services."

Miss Causer: "Bob, why aren't you prepared?"

Bob Schaich: "I was doing my annual work."

Miss Causer: "Since when did you change it? You used to work semi-annually, didn't you?"

NO CONTROL OF ANYTHING

Black—"Confidentially, your wife is telling it around that you don't keep her in clothes."

White: "I gave up trying. I built her a house, and I can't keep her in that either."

Mr. Hostetler: "When you have finished your speech, bow gracefully and leave the stage on tiptoe."

Jim Ritchie: "Why on tiptoe?"

Mr. Hostetler: "So as not awaken your audience."
